No-show policy

If as a speaker you are, for any reason, unable to attend the conference, we would urge that a co-author or appropriate colleague from your company/university present the paper in your place.

Please note that speaker changes are only possible in exceptional cases and have to be reported immediately in writing to PCIM-CON@china.messefrankfurt.com

If no one is available to present the paper and Guangzhou Guangya Messe Frankfurt Co Ltd has not been notified beforehand, the speaker will not be accepted for any other future PCIM Conferences.

Manuscript

The conference proceedings will be published on a USB flash drive and your manuscript will be included exactly as it is submitted. Manuscripts must be handed in by **20 June 2025**.

Please be aware that manuscripts which are submitted too late will not be published in the official proceeding or included in the **Ei compendex, IET Inspec-Direct, IEEEExplore and Scopus**.

If your manuscript is not submitted by this date, you are requested to send a copy of your paper to all participants prior to the conference.

Furthermore please note that your manuscript will only be published in the proceedings if you have successfully registered as speaker.

Manuscript template

If nothing particular has been individually agreed upon with the author, the number of pages is restricted to a maximum of **8 pages**, and should be within **5 MB**.

With regards to the general outline and graphical style of the proceedings we therefore ask you to use the template for your manuscript, which includes all important writing instructions.

The use of company letterheads or paper with company logos will automatically lead to the manuscript being rejected! The same applies if any company identification is printed automatically throughout the text or if company/product brochures are used as a "component" in the manuscript.

Copyright Agreement

Please read the Copyright Agreement PDF-file. When you submit your manuscript to Guangzhou Guangya Messe Frankfurt Co Ltd you will be deemed to agree with these conditions.

Software License Agreement

The production of the USB flash drives may not be performed with any kind of unlicensed software. The authors of manuscripts must therefore affirm that only licensed software has been used to prepare their paper and thus release Guangzhou Guangya Messe Frankfurt Co Ltd from any claim for damages from third parties.

Poster Preparation

Poster format and layout

We recommend that the size of your poster will be **DIN A0 (84.1cm x 118.9 cm)** in upright format and that you use colors for highlighting to make your poster more attractive.

Hand-written papers are not allowed.

Please make sure to send your poster in PDF version by **20 August 2025** to [Conference System](#) for a last quality check.

If the poster is approved the organizer will produce and set up the poster for you.

A document with tips and hints how to prepare the poster and the presentation on site is available for download.

Onsite Presentation

Presentation time

The time allowed for the dialogue presentation is from 13:30-14:30 per day. During the poster session no lecture sessions will be taking place.

***Please check the conference program for the exact date of your presentation.**

Display Board/Booth

Each presenter will be provided with a V-shaped wall and allows you to present the poster in an area of 2m wide x 2.5m height from the bottom. Each presenter will also have a table within the booth area. As there are two walls per presenter, we recommend to prepare two posters for your presentation.

Poster Set-Up

The organizer will produce and set up your poster in advance.

Meeting with your session chairman

Please arrive at the poster gallery at least 5 to 10 minutes before your session begins. The session chairman will have already been given your short biography and manuscript.

Please note that you are required to stay at your poster wall for the whole session. The "Excellent Poster Award" will be granted during the session.

Presentation Language

The conference language during the entire conference will be **English**. Please prepare your poster in English.
